No problem – Just helps me out because I have so many drug cases, they can at times blend together.

Hi Blake-

The drug lab number references the ([REDACTED] al) case. I believe that you originally contacted Maria Testa about the discovery paperwork. Sorry I didn't reference the case on the paperwork.

-Sonja

Hi Sonja – I recently received a discovery package for you on this. Would you please tell me which case it references. It only references the drug lab no. Thanks so much, blake
